CAPPLEMAN WENT TO CUTBERT

To Testify in Behalf of a Negro Accused of Many Grave Crimes

Cuthbert, Ga., Nov. 17.—Mr. J. R. Cappleman, from near Ocala, Fla., is in Cuthbert, having come under a subpoena from the Randolph superior court, to testify as to the identity of the negro claimed to be Lum Warren, the much wanted fugitive. The negro stated that he was born in Madison county, Fla., and lived there many years, and that during the year the assault was made in this county, he lived near Ocala. He gave the name of Mr. Cappleman, along with others.

The court allowed a subpoena issued for Mr. Cappleman, but he could not get here until after the jury had decided that the negro was not Lum Warren. Mr. Cappleman sustains the contention of the negro, having known him all his life, as Mike Sparkman, and that he lived at or near Ocala at the time the assault was made in this county.

Besides Mr. Cappleman, the mother of the negro who has always contended that he was Sparkman, and not Lum Warren, further sustains the witnesses and the jury.

The coming of Mr. Cappleman and the mother of the negro sustaining his claim that his name was Sparkman and not Warren, as well as accounting for him at the time of the assault, has satisfied the minds of the people.

He will be sent back to Hawkinsville, where he was recently convicted for horse stealing, and where he will be sent to begin a fifteen year sentence in the penitentiary for that crime.

Do You Open Your Mouth

Like a young bird and gulp down whatever food or medicine may be offered you? Or, do you want to know something of the composition and character of that which you take into your stomach whether as food or medicine?

Most intelligent and sensible people now-a-days insist on knowing what they employ whether as food or as medicine. Dr. Pierce believes they have a perfect right to insist upon such knowledge. So he publishes, broadcast and on each bottle wrapper, what his medicines are made of and verifies it under seal. This he feels he can well afford to do because the more the ingredients of which his medicines are made are studied and understood the more will their superior curative virtues be appreciated.

For the cure of woman's peculiar weaknesses, irregularities and derangements, giving rise to frequent headaches, backache, dragging-down pain or distress in lower abdominal or pelvic region, accompanied, oftentimes, with a debilitating pelvic, catarrhal drain and kindred symptoms of weakness, Dr. Pierce's Favorite Prescription is a most efficient remedy. It is equally effective in curing painful periods, in giving strength to nursing mothers and in preparing the system of the expectant mother for baby's coming, thus rendering childbirth safe and comparatively painless. The "Favorite Prescription" is a most potent, strengthening tonic to the general system and to the organs distinctly feminine in particular. It is also a soothing and invigorating nerve and cures nervous exhaustion, nervous prostration, neuralgia, hysteria, spasms, chorea or St. Vitus's dance, and other distressing nervous symptoms attendant upon functional and organic diseases of the distinctly feminine organs.

A host of medical authorities of all the several schools of practice, recommend each of the several ingredients of which "Favorite Prescription" is made for the cure of the diseases for which it is claimed to be a cure. You may read what they say for yourself by sending a postal card request for a free booklet of extracts from the leading authorities, to Dr. R. V. Pierce, Invalids' Hotel and Surgical Institute, Buffalo, N. Y., and it will come to you by return post.

The Business Men's League of Jacksonville, which was organized to defeat the efforts of the Anti-Saloon League, which league is trying to get up a petition calling for a wet or dry election in Duval county, is opposed to teaching the children prohibition and singing temperance songs in the public schools of the city and county.

The International Correspondence Schools of Scranton, Pa., have a very attractive display in the window of B. F. Condon's bicycle store. The I. C. S. representatives, Mr. D. L. Palmer and Mr. A. H. Flower, are in charge of the display and are offering special inducements for the week to all who wish to enroll. There are a large number of students in Ocala enrolled in the school who can testify to the many advantages offered by the method of home study. Messrs. Palmer and Flower will be found at B. F. Condon's store all this week and are prepared to give all information in regard to terms and special prices. Call and see them if you are interested.

You can't be well if you have a weak, unhealthy, tired out stomach. Neither can you feel good if by some little irregularity in eating you have caused the stomach to get out of order. These little stomach troubles are signs of indigestion, which may and very often does turn into a very bad case of dyspepsia. Don't allow this to go on a single day without doing something to overcome it. Take some good reliable and safe digestant like Kodol for Dyspepsia. Kodol is the best remedy known today for heartburn, belching and all troubles arising from a disordered digestion. It is pleasant to take and affords relief promptly. Sold by Anti-Monopoly Drugstore.

GREAT SUMS WILL BE ISSUED BY THE U. S. GOVERNMENT

Washington, Nov. 18.—Secretary Cortelyou last night made the important announcement that, as a means of affording relief to the financial situation, the treasury would issue \$50,000,000 of Panama bonds and \$100,000,000 certificates of indebtedness, or so much thereof as may be necessary. The certificates will run for one year and bear 3 per cent interest.

There is nothing better for stomach troubles than Kodol, which contains the same juices found in a healthy stomach. Kodol is offered on a guaranteed plan for the relief of heartburn, flatulence, sour stomach, belching of gas, nausea and all stomach troubles. So at times when you don't feel just right, when you are drowsy after meals, and your head aches, and when you have no ambition, and you are cross and irritable, take a little Kodol. It digests what you eat. It will make you healthy. Sold by the Anti-Monopoly Drugstore.
